## **OPIS PRODUKTU**

The 2016 **Takeuchi TB295W** wheeled excavator, offered by Lupher, has worked 6,921 hours and weighs 10.8 tons. The machine is equipped with a triple-break arm and an Engcon tilt/swivel head, increasing its versatility on the job site. Powered by a 77 kW Isuzu AM-4JJ1XZSB-02 engine, it provides adequate power for demanding tasks. In addition, the excavator has hydraulics suitable for operating a shear or hammer, a digging bucket and a Scandinavian bucket, making it ideal for a variety of earthmoving jobs. Equipment includes a rectangular blade, 8.25-20 tires, a rear camera for added safety, a manual lubrication system, and operator amenities such as a radio, air conditioning and work lights for comfort and efficiency.
